KITCHEN DOORS

All the grain, all the colour... all the advantages.

Lasting beauty comes naturally to the BARNSDALE Door Collection. In fact, it's just like ash or oak – but, dare we say it, even better. That's because these 5-piece wrapped doors simply take the look, the feel and the beauty of woodgrain and make it more suited to everyday life.

A BARNSDALE door is durable, practical and retains its ageless good looks, even in the busiest family kitchen. It's the natural look you've always wanted, with the value that makes it a practical choice.

"Everybody loves the kitchen; it's where families get together and friends gather. To cope with being the heart of your home, we know you'll want doors that are stylish, easy to look after and hard-wearing. So for the BARNSDALE Door Collection, we combined super-realistic woodgrain with the practicality of a wrapped door. We think you'll love the collection as much as we do."
